

# LucyRx App

## How to Get Started

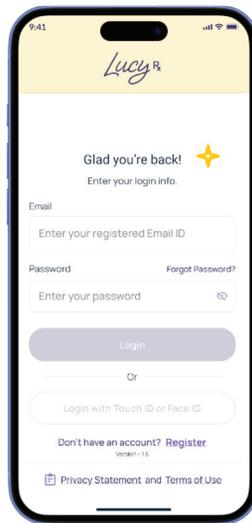

This Quick Start Guide will help you set up and navigate the LucyRx App so you can easily manage your prescriptions, access your digital ID card, and connect with our prescription care team.

### STEP 1

#### Open the LucyRx App

Locate the LucyRx App icon on your mobile device and tap to open. If you don't have the app yet, visit the Apple App Store or Google Play, search for LucyRx, and download to your smartphone or tablet.

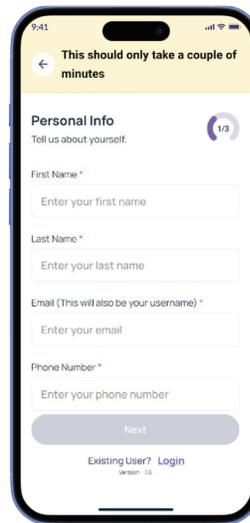

### STEP 2

#### Register or Log In

New to LucyRx?  
Tap **Register** and fill in your details.

Returning user?  
Enter your email and password, then tap **Log In**.

*If you forget your password, tap "Forgot Password?" to reset it.*

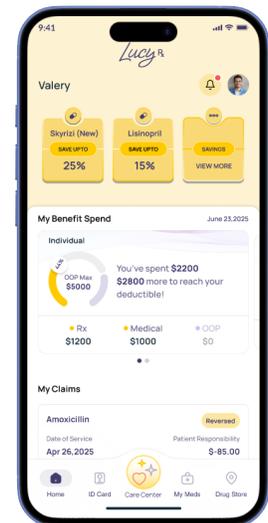

### STEP 3

#### Complete your profile

If registering, enter your personal information when prompted.

Review and confirm your details to finish setup.

### STEP 4

#### Explore the home page

Tap the **Home** icon at the bottom left to access your home page.

No digging through portals or paperwork. Gain instant access to your pharmacy benefit details and spending.

# What Else You Can Unlock

## Access your digital ID card

Tap the **ID Card** icon at the bottom of the navigation bar. Your digital pharmacy ID card lives in the app. To view the back of your card, tap the "Back" button. View it, email it, or show it right at the counter.

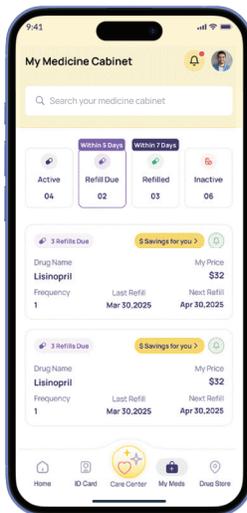

**Have benefit questions?**

Go to [lucyrx.com/members](https://lucyrx.com/members)  
or call **877-860-8846**

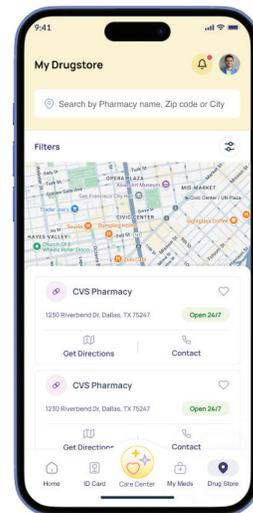

## Chat with the Care Center

Tap the **Care Center** icon to connect with a LucyRx certified pharmacy technician. Lucy is always ready to answer your questions regarding your prescriptions, claims, and more.

## View your medications

Tap the **My Meds** icon to view and manage your prescriptions. See your history and refills at a glance—and set reminders so you never miss a dose.

## Find a pharmacy

Tap the **Drug Store** icon to locate nearby pharmacies. Search by name, ZIP code, or location to find an in-network pharmacy near you.
