Drug name & strength	Dates of therapy	Reason for discontinuation

VI. Clinical rationale for medication/urgent circumstances

Prescriber/Agent Signature: **Date:**

If marked as **urgent**, I attest this is an urgent case, meaning that an expedited (fast) determination is necessary to prevent serious threat to life, health, or the body's ability to regain maximum function; or is needed to manage severe pain. **Information on this form is Protected Health Information (PHI) and subject to all privacy and security under HIPAA.**

Appropriate clinical information (including lab reports, when appropriate) to support the request on the basis of medical necessity must be submitted. LucyRx is unable to evaluate any request without office notes.
