

Getting started with Amazon Pharmacy is easy

This guide shows patients how to sign-up and start using Amazon Pharmacy

Transparent pricing, upfront

Compare the best prices on medications, with or without insurance

Pharmacists are available from the Amazon app or by phone, 24/7

Our team is always on for your important questions

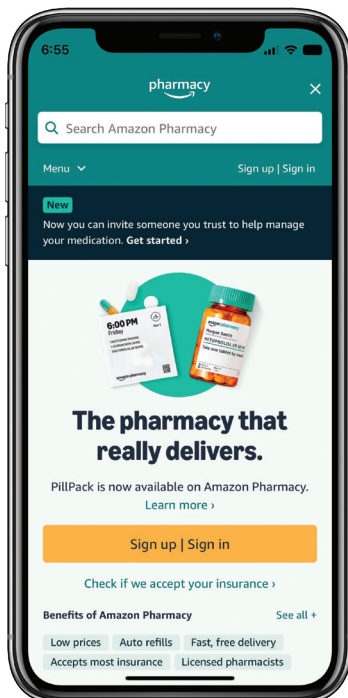

Fast, free home delivery

No more lines, pharmacy closures, or transportation gaps

More ways to spend less

Solutions like RxPass, Prime Rx, and automatic coupons give you more control over your care

1 Find Amazon Pharmacy in the Amazon app

Visit the URL below (or scan the QR code) and hit "Sign up | Sign in".

amazon.com/pharmacy

Questions? Call customer care at:
855-206-3609

Scan the QR code to get started.

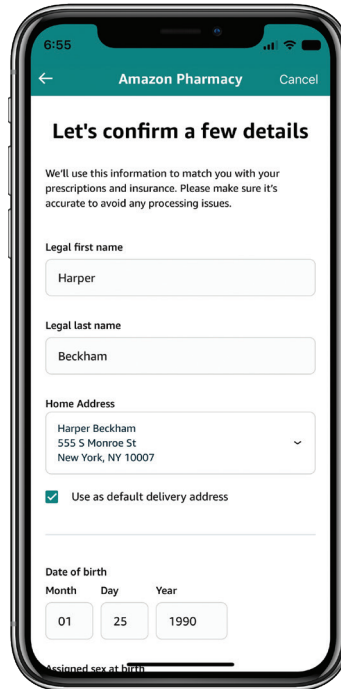

*RXPASS IS NOT INSURANCE. Only certain medications are eligible for purchase under the program. Other limitations apply, see the full terms at pharmacy.amazon.com/rxpass/terms.

2 Sign-up just takes a few steps

We'll ask questions about you, your medications, insurance, and your health history.

Each family member creates their own unique health profile.

You're signed up!

Next, add your prescriptions to Amazon Pharmacy
You can place an order after we receive your prescriptions.

Add my prescription

Let someone you trust manage your prescriptions and orders
Invite someone to manage your medications

No thanks, take me Home

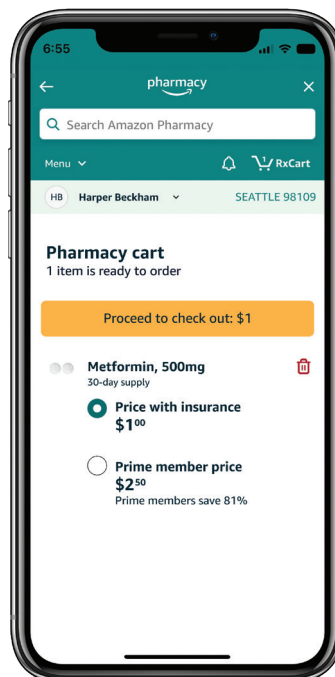

Signed-up!

3 Place your medication order

Ordering medications is similar to shopping on Amazon.

Your healthcare provider can send your prescription directly to Amazon Pharmacy.

Once your medication has been reviewed by a pharmacist, you will be notified to proceed to checkout.
